Island

Newport Jazz Festival

Music fills the streets every year in Newport during the Newport Jazz Festival. For over 65 years, famous jazz musicians have come to Rhode Island to give concerts and teach music workshops.

Cool as a clam

A quahog is a kind of hard-shelled clam, and it is iconic in Rhode Island. The name comes from the word poquauhock in the Narragansett language. These clams are a delicacy much beloved by Rhode Islanders. They are served fried, stuffed, cooked in soups, raw (on the half shell), and even steamed over seaweed in a clambake!
