

Pennsylvania

You'll see lots of farmland in this state! Pennsylvania produces all kinds of crops, from mushrooms to Christmas trees. Pennsylvania also connects the past and the present through powerful icons, like the Liberty Bell, old traditions such as Groundhog Day, and classic American cuisine.

Philly cheesesteaks

Savory steak, gooey melted cheese, and fried onions on a toasted roll—that's a Philly cheesesteak. These famous sandwiches originated in the city of Philadelphia, Pennsylvania.
