

Super strawberries

Delaware dirt is full of minerals, so it's perfect for growing plants. Strawberries are the official state fruit of Delaware, and it is an important crop for the state's farmers. This berry is packed with vitamins, so it's a great healthy treat.

Bird journeys

As birds fly to the warm south during cold northern winters, Delaware's Bombay Hook National Wildlife Refuge provides a safe resting place. The marsh habitat attracts migrating birds to stop and rest on their long journey.
