

Georgia

Georgia has a bit of everything—the Blue Ridge Mountains, beautiful beaches, sweet peach orchards, and coastal plains where you'll find Spanish moss swaying from the trees. Georgia is also the birthplace of world-famous civil rights hero Dr. Martin Luther King Jr.

Dr. Martin Luther King Jr.

A real hero was born in Atlanta, Georgia. Dr. Martin Luther King Jr. challenged the US government to change segregation laws so that Black and white people could go to school, play, and live together with equal opportunities.

Atlanta is now home to the Martin Luther King Jr. National Historical Park.
