

Wisconsin Dells

The Wisconsin Dells is a beautiful natural landmark. Gigantic sandstone formations tower throughout a long stretch of deep canyons along the Wisconsin River. The rocks are over 500 million years old!

Amazing designs

Frank Lloyd Wright was a highly creative architect from Wisconsin. There's even a dedicated highway route called the Frank Lloyd Wright Trail, which connects some examples of Wright's amazing buildings.

Frank Lloyd Wright believed that a house should be in harmony with its natural environment.

Some people claim that the hamburger was invented in Wisconsin.

The state animal of Wisconsin is the badger.
