

The legend of Paul Bunyan

According to legend, Minnesota's many lakes were created by the jumbo footprints of the mythical lumberjack Paul Bunyan and his giant blue ox, Babe. You'll find towering Paul Bunyan statues throughout the state.

There are statues of Paul Bunyan all over the country, but the first one was in Minnesota.

The largest mall in the US is the Mall of America in Bloomington, Minnesota.

Peanuts pride

Minnesota-born Charles Schulz was the creator of the *Peanuts* comics, starring Snoopy and Charlie Brown. Schulz drew *Peanuts* comics for around 50 years. His stories have appeared in 75 countries and been translated into 21 languages.
