Gateway Arch

Towering high above the city of St. Louis, Missouri, is the iconic Gateway Arch. The monument was built as a “Gateway to the West” showing how St. Louis and the Mississippi River were important places to pioneers traveling to the West Coast. The arch is now a popular tourist spot for photos. You can also ride an elevator to the very top!

*The Gateway Arch
is the world's
tallest arch.*

Kansas City-style barbecue

Don't let anyone fool you into thinking Kansas City is in Kansas! It's right here in Missouri, and it's famous for its barbecue. Kansas City-style barbecue includes chicken, beef, pork, and even fish, all slow-smoked and covered in the special tomato-based barbecue sauce.
