Finned rear wings took the car's length to 18ft 4in (5.6m)

Rolls-Royce Silver Cloud III UK 1962

Jaguar Mark X UK 1962

The last word in comfort, luxury cars are often packed with the most advanced driving and passenger features. These grand, superexpensive cars offer a quiet, cushioned ride for the rich, the powerful, and the famous.

Celebrities and dignitaries did not have to shut the doors of the **Mercedes-Benz 600**. This 2.9-ton car did it for them! Owners ranged from the Pope and presidents of many countries to the rock 'n' roll legend Elvis Presley. In the Soviet Union, the 18ft-4in- (5.6m-) long, seven-seater
