

Traveller's tree, page 84

Ravenala madagascariensis

Group: Flowering plants

Height: 20 m (66 ft)

Location: Madagascar

Tank bromeliad, page 86

Neoregelia cruenta

Group: Flowering plants

Height: 45 cm (18 in)

Location: Brazil

Papyrus sedge, page 88

Cyperus papyrus

Group: Flowering plants

Height: 4.5 m (15 ft)

Location: Africa

Moso bamboo, page 90

Phyllostachys edulis

Group: Flowering plants

Height: 28 m (92 ft)

Location: China

Arctic poppy, page 92

Papaver radicum

Group: Flowering plants

Height: 18 cm (7 in)

Location: The Arctic

King protea, page 94

Protea cynaroides

Group: Flowering plants

Height: 2 m (6 ft)

Location: South Africa

Common houseleek, page 96

Sempervivum tectorum

Group: Flowering plants

Height: 15 cm (6 in)

Location: Northern Africa, Europe, and western Asia

Red acacia, page 98

Vachellia seyal

Group: Flowering plants

Height: 17 m (56 ft)

Location: Africa and western Asia

Dog rose, page 100

Rosa canina

Group: Flowering plants

Height: 5 m (16 ft)

Location: Northern Africa, Europe, and western Asia

Common fig, page 102

Ficus carica

Group: Flowering plants

Height: 10 m (33 ft)

Location: Western Asia

Stinging nettle, page 104

Urtica dioica

Group: Flowering plants

Height: 2 m (6 ft)

Location: Northern Africa, Europe, and Asia

Red mangrove, page 106

Rhizophora mangle

Group: Flowering plants

Height: 35 m (115 ft)

Location: Worldwide tropical coasts

Giant granadilla, page 108

Passiflora quadrangularis

Group: Flowering plants

Height: 15 m (49 ft)

Location: South America
