

**Corpse flower, page 110**

*Rafflesia arnoldii*

Group: Flowering plants

Flower width: 1 m (3 ft)

Location: Southeast Asia

**Yellow gum, page 112**

*Eucalyptus leucoxylon*

Group: Flowering plants

Height: 30 m (98 ft)

Location: Australia

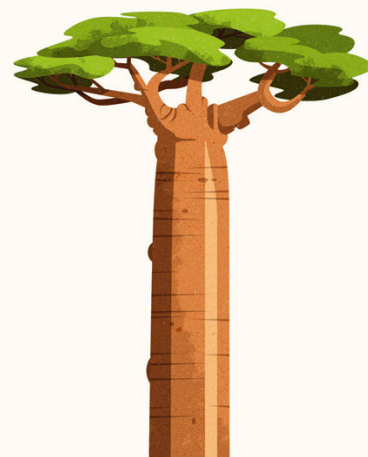

**Sugar maple, page 114**

*Acer saccharum*

Group: Flowering plants

Height: 45 m (148 ft)

Location: North America

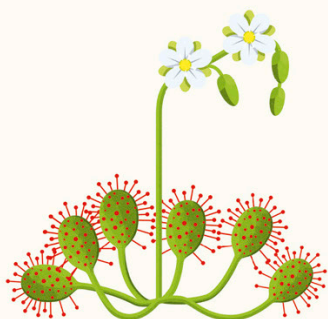

**Granddier's baobab, page 116**

*Adansonia grandidieri*

Group: Flowering plants

Height: 30 m (98 ft)

Location: Madagascar

**Common sundew, page 118**

*Drosera rotundifolia*

Group: Flowering plants

Height: 20 cm (8 in)

Location: North America, Europe, and Asia

**Tropical pitcher plant, page 120**

*Nepenthes truncata*

Group: Flowering plants

Height: 40 cm (16 in)

Location: Southeast Asia

**Summer cypress, page 122**

*Bassia scoparia*

Group: Flowering plants

Height: 30 cm (12 in)

Location: Europe and Asia

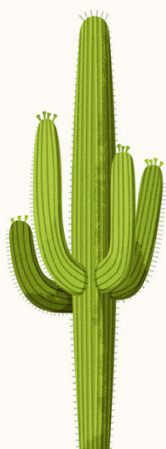

**Karas Mountains living stone, page 124**

*Lithops karasmontana*

Group: Flowering plants

Height: 4 cm (2 in)

Location: Southern Africa

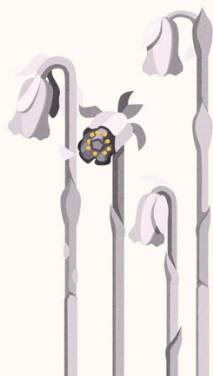

**Saguaro, page 126**

*Carnegiea gigantea*

Group: Flowering plants

Height: 12 m (39 ft)

Location: Southern North America and Central America

**Ghost plant, page 128**

*Monotropa uniflora*

Group: Flowering plants

Height: 30 cm (12 in)

Location: North America, Central America, and Asia

**Common sunflower, page 130**

*Helianthus annuus*

Group: Flowering plants

Height: 3 m (10 ft)

Location: North, Central, and South America

**Common dandelion, page 132**

*Taraxacum officinale*

Group: Flowering plants

Height: 50 cm (20 in)

Location: Europe and Asia

**Sea holly, page 134**

*Eryngium maritimum*

Group: Flowering plants

Height: 60 cm (24 in)

Location: Europe
