In just eight years, Napoleon managed to conquer most of Europe.

Lasting impression

Napoleon's reforms brought stability back to France, which had been torn apart by the French Revolution. Many of the laws of his Napoleonic code (above) are still used in France and form the basis of the legal systems of many of the countries that Napoleon conquered.

A portrait of Jean-Baptiste Lamarck, a French naturalist and biologist. He is shown from the chest up, wearing a dark coat with a decorative collar and a white cravat. He has a serious expression and is looking slightly to the left. The background is a light blue and white striped pattern.
