- 2 One person walks around looking for any sign of movement.

- 4 If people are very still, the person patrolling can try to make them laugh by talking or doing silly things (but not touching them).
- 5 Whoever "sleeps" the longest is the winner.

TRY THIS!
Funny noises and silly voices can make the sleepers laugh.

SNOW WHITE AND THE SEVEN DWARFS

Apple Bobbing

Snow White is given a poisoned apple by her cruel stepmother that puts her into an enchanted sleep. But don't worry, the apples in this game are safe!

You will need:

- Large, clean tub
- Apples
- Fresh water
- Towels or plastic sheets

HOW TO PLAY:

- 1 Place all the apples in the tub about two-thirds full of water. It's best to play outside, but if you're inside, place the tub on towels or plastic sheets.
- 2 Each player takes a turn to put their hands behind their back and try to pick up an apple using only their mouth.
- 3 Once an apple has been bitten by someone, remove it from the water to keep the water clean.
- 4 The winner could be whoever picks up the most apples or whoever bites an apple the quickest.

TOP TIP
It's a good idea to wear goggles to protect your eyes!
