

Belle's Book Garland

Belle always has her nose in a book. She is delighted with the Beast's library – a lifetime's worth of reading all in one room. Like Belle, you can surround yourself with books with this beautiful garland.

You will need:

- Decorated paper
- Coloured paper
- Plain white paper
- Pencil and ruler
- Scissors
- Glue stick
- Gold ribbon
- Clear tape
- String
- Gold cord

Perfect the binding

Each book has a patterned outside cover and a coloured inside cover, with white interior pages. You could use wrapping paper for the outer covers, or create your own design.

1 To save time, you could cut all the different types of paper in advance. Rectangles 12.5 x 20 cm (5 x 7½ in) make good-sized books.

2 Glue a patterned piece of paper back-to-back with a coloured piece to make a book cover.

3 Fold the book cover in half so that the patterned side is on the outside.

Messages can be written on the inside white pages.

DID YOU KNOW?

Belle's favourite book is about a girl who meets "le Prince Charmant", which means Prince Charming in French.
