

You could use a wisp as a night light, or create a path of them to lead somewhere.

The wisps in the kingdom of DunBroch are always blue, but you could use different coloured glow sticks for a multicoloured effect.

**TOP TIP**  
Use bottles of different shapes and sizes to create an assortment of wisps.

## DID YOU KNOW?

Will o' the wisps appear in the folklore of many cultures. They were believed to be spirit creatures, but are actually caused by naturally occurring blue gas from swamps or bogs.
