

5 Braid the three sections together. Keep the ribbons and smaller braid on top so that they're visible.

6 Once you have braided all the yarn, secure it with a shorter length of yarn. Knot it tightly and cut off the excess.

7 Hide the yarn ties at the top and bottom with purple ribbon tied in a bow.

8 Hang the braid up on a hook or nail and add your barrettes.

This braid is 80 cm (32 in) long, but you can make yours any length you like.

A thinner braid runs through the larger braid.

DID YOU KNOW?

When Rapunzel sings, her hair glows and has magical healing properties. However, once it is cut, it loses its power.
