More than just sports

Although the sports are the main reason to come together, the Olympics are special for more than just the competition. It's a time when the whole world **celebrates** together.

Old and new

The Olympics were inspired by ancient Olympic Games held in Greece many years ago. Frenchman **Pierre de Coubertin** was the driving force behind bringing the Olympics back.

The modern Games were held for the first time in Athens, Greece, in 1896.
