

The Winter Olympics

The Winter Games have been held in 12 different countries across Europe, North America, and Asia.

Just like the Summer Games, the Winter Olympic Games are held every **four years**. But all the sports take place on **snow** and **ice**.

History of the Games

The Games were held for the first time in 1924, in **Chamonix**, France. Until 1992, the Summer and Winter Games were held in the **same year**, but now run two years apart.

Ice hockey

Past

The 2018 Winter Olympic Games were held in **Pyeongchang, South Korea**, and included:

2,833

competitors

92

countries

across

7

sports

competing in

102

events

50

of which
involved skiing
