

Goalkeepers wear protective padding from head to toe.

Players are not allowed to touch the ball with their hands or feet.

Shinty is an old Scottish game similar to hockey.

Origins

From ancient Greece to ancient China, games in which a ball is hit with a stick have been played for a very long time. But hockey as we know it developed in **Scotland** around 300 years ago.

The Wizard
India's **Dhyani Chand** is one of the greatest hockey players ever. He was known as "**The Wizard**" because of his amazing control of the ball.

His team dominated men's hockey in the 1920s and 1930s and won three Olympic golds in a row between 1928 and 1936.

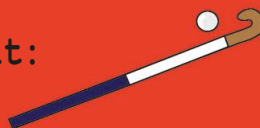

Handle

grass because it's smoother than real grass.

Players per team:
