

Shoot!

Getting the ball through the hoop earns points. Shots from outside the **three point line** are worth three points, and scores from inside it are worth two.

Slam dunk in action!

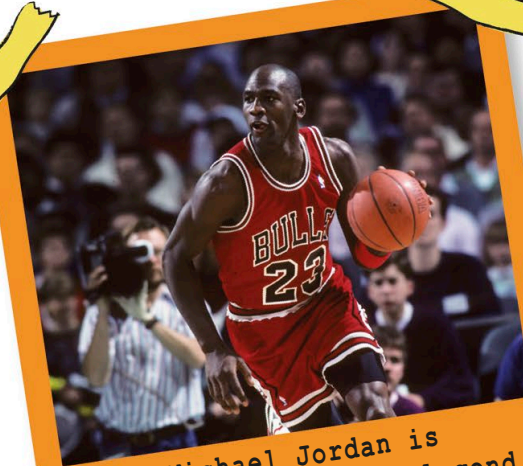

Leaping and slamming the ball into the basket is called a slam dunk.

Average man's shoe size

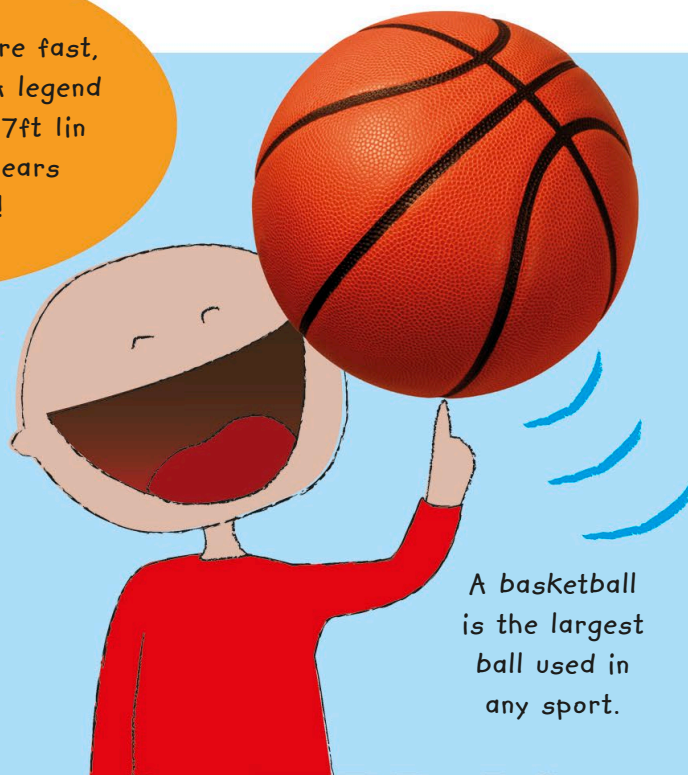

Shaquille O'Neal's shoe size

Michael Jordan is basketball's biggest legend. He averaged 30.1 points a game during his career.

The world's most famous basketball league, the NBA, is in the United States, but basketball is popular across Europe and Asia, too.

Basketball players are fast, skillful, and big. NBA legend Shaquille O'Neal is 7ft lin (2.16m) tall and wears size 22 shoes!

A basketball is the largest ball used in any sport.
