

SPINACH AND FILO TARTS

Superhero spinach to the rescue! These simple tarts are easy to make for an afternoon snack or as part of a main meal. Try crumbling feta cheese on each tart to add flavour and extra dairy into your diet.

1 PREHEAT THE OVEN to 180°C (350°F/Gas 4). Brush a muffin tin with oil and set aside. Tear the spinach and the basil into pieces.

2 IN A LARGE MIXING BOWL, beat the cream cheese, egg, and grated cheese until smooth. Season with salt and pepper, then stir in the spinach.

3 CAREFULLY CUT the filo pastry into 16 squares measuring 12.5cm (5in). Brush the squares with a little olive oil.
