Garlic is a strong-flavoured vegetable. It helps to keep your heart healthy.

1 PREHEAT A GRILL to high. Carefully cut the peppers into quarters and take out all of the stalks and seeds.

2 LINE A BAKING TRAY with foil. Place the peppers on it with the skin side facing up and grill the peppers for 5 minutes, until the skins have blackened.

3 PUT THE PEPPERS in a bag and seal it up. Wait for 10 minutes so the peppers are cool and then peel off the skins. They should come off easily.

4 PUT THE PEPPERS, chickpeas, paprika, garlic, lemon juice, tahini, and olive oil into a food processor and blend until smooth. Season to taste.

5 CAREFULLY CUT THE CARROTS, celery, red peppers, and cucumber into sticks.

6 SPOON THE HOUMOUS into a bowl and serve with the vegetable sticks and toasted pitta bread.
