

PREHEAT THE OVEN to 180°C (350°C/Gas 4). Grease a loaf tin and line the base with baking paper so the cake won't stick.

PLACE THE ZEST of 2 lemons, butter, and caster sugar in a mixing bowl and beat until the mixture is light and fluffy.

WHISK IN THE EGGS, a little at a time. Sift the flour and baking powder together then fold into the mixture with the milk. Put the mixture in the tin.

BAKE THE CAKE in the centre of the oven for 45–50 minutes or until a cocktail stick comes out clean. Prick the top of the cake with the cocktail stick.

MIX 4 tsp OF THE LEMON JUICE with the granulated sugar in a bowl. Drizzle the sugary juice over the cake so it sinks into all the holes. Allow the cake to cool before turning it out.

COMBINE THE ICING SUGAR with the rest of the lemon juice and mix until smooth. Drizzle the icing over the top, allowing it to run over the sides.
