

1
ASK AN ADULT to slice the lobes off the mango, guiding the knife around the stone in the middle.

2
SCORE A DIAMOND criss-cross pattern on the lobes, then turn it inside out to create a hedgehog shape from the mango chunks. Cut off the mango chunks.

3
PLACE THE MANGO, coconut milk, honey, and lime juice in a blender and blend until smooth.

4
POUR THE MIX into lolly moulds, but don't fill them all the way to the top. Place a stick in the middle of each one and freeze for 2-3 hours.
