

Imugi

The Imugi is a Korean dragon. It is a wise and friendly creature who brings good luck. According to some legends, a dragon-shaped mark would appear on the shoulder of a human girl—revealing that she was the Imugi in human form, and would transform into a dragon on her 17th birthday.

APPEARANCE

The Imugi has four legs with four toes—one of which is used like a thumb. They are often shown holding a yeouiju (a globe that grants special powers).

DWELLING

Lakes, rivers, and deep mountain ponds.
