

# Neak

Known also as the Khmer Dragon, one of the legendary Neaks was a Khmer dragon princess who—according to legend—was among the creators of the country of Cambodia.

## APPEARANCE

The Neak can have up to nine heads. The more heads it has, the more important it is. Despite being serpentine, its body is stockier than the Long. It is wingless with short legs.

## DWELLING

Near or under the water.

## POWERS AND TRAITS

- Shape-shifting to human form
- Strength of kindness and spirit
- Ability to help others
