

Joseph's coat ▼

Codiaeum variegatum

The vibrant fusion of fiery colors on the leaves of this plant will inspire energy and vitality as well as add a really colorful statement piece to any room in the house. Yellows, oranges, reds, and greens mix in bold patterns to encourage a get-up-and-go attitude, while the variations of the leaf shapes add even more interest and wonder. *See pp.60–61*

The red, star-shaped guzmania is bursting with positive energy

Guzmania ▲

Guzmania varieties

The thrust of energy provided by the vibrantly colored, star-shaped bracts of this plant can't help but make you feel upbeat and enthused. Its flowerlike sprays stick around for such a long time, and just before they say goodbye, they find the energy to produce a baby to continue the family—that will really spark a feeling of magic and excitement. *See pp.88–89*

Pink quill ►

Tillandsia cyanea

The electric pink shades of the quill, as well as its pleated texture as it splay out from the arching leaves, will add real excitement to your decor, while the purple flowers offer extra charm. There's an almost childlike quality to this fun, zingy plant that will make you feel playful, joyful, and young. *See pp.132–133*

The woven neon bracts of the pink quill are pure fun
