Goosey quesadillas are quick to make and totally tasty. These are filled with black beans and avocado, but there are two delicious variations to try on the next page.

1

Mash the avocado, coriander, and lime juice in a bowl. Season with salt and pepper and set aside.

Lime juice stops the avocado from turning brown.

2

Heat half the oil in a pan over medium heat and cook the onion and pepper for 2-3 minutes until softened.

3

Add the beans, season, then cook for about 2 minutes and set aside.

4

Spread half the avocado mixture onto half of one of the tortillas, then top with the pepper and bean mixture.
