

½ red onion, sliced

½ red pepper, sliced

½ x 400g (14oz) can black beans, drained

2 flour tortillas

50g (1¾oz) Cheddar cheese, grated

Serve with salsa.

5

Repeat with the other tortilla and sprinkle cheese on top. Fold both tortillas in half to make half moon shapes.

6

The half moon shapes keep the filling from falling out when flipping.

Heat the remaining oil over low heat and fry the quesadillas for 2 minutes each side, or until golden brown.
