

## JEWISH HOMELAND

Before the state of Israel was created, Jews were scattered throughout the world. Many suffered persecution. During World War II, six million Jews were killed by the Nazis in Europe. After the war, thousands of Jews from all over the world emigrated to Israel, the home of their ancestors.

## THREE GREAT FAITHS

The history of three of the world's major religions is closely linked to this region. Judaism and Christianity began here, while Islam spread to the area from nearby Saudi Arabia. Jerusalem, in Israel, is a holy city for all three faiths. The Dome of the Rock, sacred to Muslims, and the Western Wall, sacred to Jews, stand on the same site.
