

Who were the ancient Greeks?

The ancient Greek civilization lasted from 800 BCE to 146 BCE. They were famous thinkers, and some of their ideas in science, art, and politics are still used today. They worshiped many gods and goddesses and built temples for them. This is the Parthenon in Athens, built to honor the goddess Athena.

The Parthenon was built around 2,500 years ago and still stands today.

Story statues.....

The sculptures above the entrance tell the story of Athena's birth. She was goddess of wisdom and courage in battle.
