

On the fourth day,
He made two big
lights to hang in
the sky—the
sun by day . . .

. . . and the
moon by
night, and all
the stars that
keep them
company.

On the fifth day,
God made all the creatures that
live in the water—fishes,
whales, dolphins,
and octopuses . . .

. . . and then He
made all the birds
that fly in the air,
from the great eagle
to the tiny wren.
