

Jesus is Born

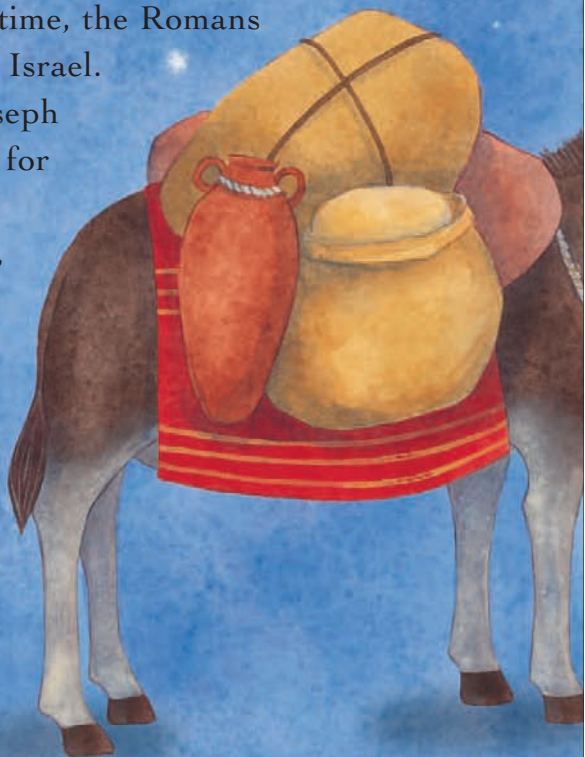

The angel Gabriel appeared to Mary. “God has chosen you to be the mother of his child,” said the angel. “You shall name him Jesus.”

At this time, the Romans ruled over Israel.

Mary and her husband Joseph had to travel to Bethlehem for a great counting of the people. When they arrived, Mary was very tired. It was nearly time for her baby to be born.

They could not find anywhere to stay because the town was crowded with people.

*“You will give birth to a son,
and you will name him Jesus.”*
