

MEDIUM

SUMMER

PURPLE

***Acer palmatum* 'Bloodgood'**

Deciduous, bushy-headed shrub or small tree with deep reddish-purple leaves that turn brilliant red in fall. Small, reddish-purple flowers in midspring are often followed by decorative, winged, red fruits.

☀️ ♂ Z6-8

BLUE

***Ceanothus impressus***

Evergreen, bushy shrub. Spreading growth is covered with small, crinkled, dark green leaves. Deep blue flowers appear in small clusters from midspring to early summer.

☀️ ♂ Z8-11

GREEN

***Eleutherococcus sieboldianus***

Deciduous, bushy, elegant shrub. Has glossy, bright green leaves, divided into 5 leaflets, and is armed with spines. Clusters of small, greenish flowers appear in early summer.

☀️ ♂ Z4-8

***Abutilon x suntense* 'Violetta'**

Fast-growing, deciduous, upright, arching shrub that carries an abundance of large, bowl-shaped, deep violet flowers in late spring and early summer. Vinelike leaves are sharply toothed and dark green.

☀️ ♂ Z12-15

***Prostanthera rotundifolia***
(Roundleaf mint bush)

Evergreen, bushy, rounded shrub with tiny, sweetly aromatic, deep green leaves and short, leafy racemes of bell-shaped, lavender to purple-blue flowers in late spring or summer.

☀️ ♂ Z11

***Hibiscus syriacus* 'Oiseau Bleu'**

Deciduous, upright shrub that carries large, red-centered, lilac-blue flowers from late summer to midfall. Has lobed, deep green leaves.

☀️ ♂ Z5-9

***Ceanothus* 'Concha'**

Dense, evergreen shrub with arching branches and finely toothed, dark green leaves. Numerous, rounded clusters of dark blue flowers open from reddish-purple buds in late spring.

☀️ ♂ Z7-10

***Sophora davidii***

Deciduous, bushy shrub with arching shoots. Produces short racemes of small, pealike, purple and white flowers in late spring and early summer. Gray-green leaves have many leaflets.

☀️ ♂ Z6-9 ⚠️

***Ceanothus* 'Autumnal Blue'**

Fast-growing, evergreen, bushy shrub. Has glossy, bright green foliage and large panicles of pale to mid-blue flowers from late spring to fall.

☀️ ♂ Z9-10

***Ptelea trifoliata* 'Aurea'**

Deciduous, bushy, dense shrub or low tree. Leaves, consisting of 3 leaflets, are bright yellow when young, maturing to pale green. Bears racemes of greenish flowers in summer, followed by winged, green fruits.

☀️ ♂ Z5-9
