

Onopordum acanthium

(Cotton thistle, Scotch thistle)

Slow-growing, erect, branching biennial. Large, lobed, spiny leaves are hairy and bright silvery-gray; winged, branching flower stems bear deep purplish-pink flower heads in summer. **H** 6ft (1.8m), **S** 3ft (90cm).

☀️ ♂ Z6–8

***Silene armeria* 'Electra'**

Moderately fast-growing, erect annual with ovate, grayish-green leaves. Heads of 5-petaled, bright rose-pink flowers are produced in summer and early fall. **H** 1ft (30cm), **S** 6in (15cm).

☀️ ♂ Z5–8

***Dianthus chinensis* Baby Doll Series**

Neat, bushy annual or biennial, grown as an annual. Light or mid-green leaves are lance-shaped; small, single, zoned flowers in various colors are borne in summer and early fall. **H** 6in (15cm), **S** 6–12in (15–30cm).

☀️ ♂ Z9–11

***Cosmos bipinnatus* Sensation Series**

Moderately fast-growing, bushy, erect annual. Has feathery, mid-green leaves and daisylike flower heads, to 4in (10cm) across, in shades of red, pink, or white, from early summer to early fall. **H** 3ft (90cm), **S** 2ft (60cm).

☀️ ♂ Z2–11

Malope trifida (Annual mallow)

Moderately quick-growing, erect, branching annual with round, lobed leaves. Flared, trumpet-shaped, reddish-purple flowers, to 3in (8cm) across, with deep pink veins, are produced in summer and early fall. **H** 3ft (90cm), **S** 1ft (30cm).

☀️ ♂ Z6–11

Xeranthemum annuum [double]

Erect annual with lance-shaped, silvery leaves and branching heads of daisylike, papery, double flower heads in shades of pink, mauve, purple, or white, in summer. Suitable for drying. **H** 2ft (60cm), **S** 1½ft (45cm).

☀️ ♂ Z3–11

***Lavatera trimestris* 'Silver Cup'**

Moderately quick-growing, erect, branching annual with ovate, lobed leaves. Shallowly trumpet-shaped, rose-pink flowers are produced from summer to fall. **H** 2ft (60cm), **S** 1½ft (45cm).

☀️ ♂ Z2–11

***Schizanthus pinnatus* 'Hit Parade'**

Erect, bushy annual with feathery, fernlike, light green leaves. Bears open cymes of tubular, then flared, 2-lipped, pink flowers with clear, contrasting markings in summer–fall. **H** and **S** 9–12in (23–30cm). Min. 41°F (5°C).

☀️ ♂ Z2–11
