

RED

Papaver rhoeas Shirley Group [single]
Fast-growing, slender, erect annual with lobed, light green leaves. Rounded, often cup-shaped, single flowers, in shades of red, pink, salmon, or white, are borne in summer. **H** 2ft (60cm), **S** 1ft (30cm).

☀️ ♂ Z3-10

Antirrhinum majus Liberty Classic Series 'Liberty Scarlet'
Erect perennial, grown as an annual, branching from the base. Has lance-shaped, dull green leaves and in summer-fall, bears spikes of tubular, 2-lipped, pinkish-red flowers. **H** 18-22in (45-55cm), **S** 12-14in (30-35cm).

☀️ 💧 Z7-10

PURPLE

Aeonium 'Zwartkop'
Bushy, perennial succulent with stems each crowned by a rosette, to 6in (15cm) across, of narrow, purple leaves. Bears golden pyramids of flowers in spring on 2-3-year-old stems, which then die. **H** 2ft (60cm), **S** 3ft (1m). Min. 41°F (5°C).

☀️ ♂ Z9-11

Lantana montevidensis
Evergreen, trailing or mat-forming shrub with serrated leaves. Produces heads of rose-purple flowers, each with a yellow eye, intermittently all year, but mainly in summer. **H** 8-39in (20-100cm), **S** 2-4ft (60-120cm). Min. 50-55°F (10-13°C).

☀️ ♂ Z8-11 ⓘ

Tradescantia pallida 'Purpurea'
Evergreen, creeping perennial with dark purple stems and slightly fleshy leaves. Bears pink or pink-and-white flowers in summer. **H** 12-16in (30-40cm), **S** 12in (30cm) or more.

☀️ ♂ Z11-12

Lycianthes rantonnetii 'Royal Robe'
Evergreen, loosely rounded shrub with smooth, bright green leaves. In summer, bears clusters of rich purple-blue flowers that open almost flat. **H** and **S** 3-6ft (1-2m).

☀️ ♂ Z8-10 ⓘ

Heliotropium arborescens
Evergreen, bushy shrub. Semi-glossy, dark green leaves are finely wrinkled. Purple to lavender flowers are borne in dense, flat clusters from late spring to winter. **H** 1½ft (45cm), **S** 1-1½ft (30-45cm). Min. 7°C (45°F).

☀️ Z7-10

Alternanthera dentata 'Purple Knight' (Joseph's coat)
Vigorous, evergreen perennial, grown as an annual. Forms a spreading mound of upright, purple stems clad in ovate, slightly glossy, dark purple leaves. **H** 2-3ft (60-90cm), **S** 3-4ft (90-120cm). Min. 41°F (5°C).

☀️ 💧 Z11

Angelonia angustifolia AngelMist Series 'AngelMist Lavender Stripe'
Evergreen, upright perennial, grown as an annual, with lance-shaped, toothed leaves. Bears slender racemes of 2-lipped flowers, ¾in (2cm) across, purple above and white below, in summer. **H** 1ft (30cm), **S** 14in (35cm). Min. 50°F (10°C).

☀️ 💧 Z9-10

Solenostemon scutellarioides 'Inky Fingers'
Fast-growing, semi-trailing, bushy perennial, grown as an annual. Rounded, blackish-red leaves are cut into 5-11 deep lobes and edged in green. **H** 1-2ft (30-60cm), **S** 24-39in (60-100cm). Min. 41°F (5°C).
