

**Solenostemon 'Chocolate Mint'**

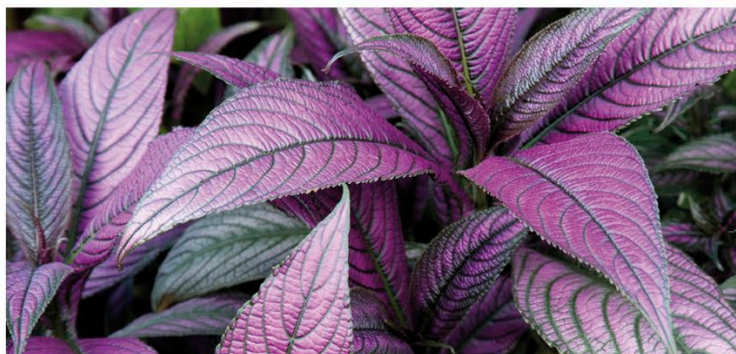

Fast-growing perennial, grown as an annual, with broadly ovate, chocolate-brown leaves margined in fresh mint-green. Pinch out any flower spikes. **H** 14–20in (35–50cm), **S** 12–14in (30–35cm). Min. 41°F (5°C).

☀️💧 Z11–12

**Lobelia erinus Waterfall Series 'Waterfall Light Lavender'**

Mound-forming, semi-trailing perennial, grown as an annual, with narrowly ovate to lance-shaped, dark green leaves. Bears 2-lipped, lobed, pale violet flowers, 3/4in (2cm) across, with white eyes, in summer. **H** 6–8in (15–20cm), **S** 8–12in (20–30cm).

☀️💧 Z2–8

**Strobilanthes dyeriana (Purple Shield)**

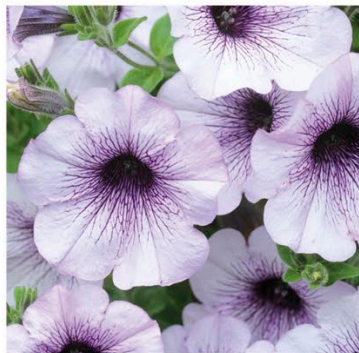

Evergreen, relatively unbranched subshrub, grown as an annual, with elliptical, dark green, leaves, 6in (15cm) long, almost fully flushed in silvery purple, leaving only a pattern of dark green veins. **H** and **S** 3ft (90cm).

☀️💧 Z11–12

**Dahlia Happy Single Wink ('HS Wink')**

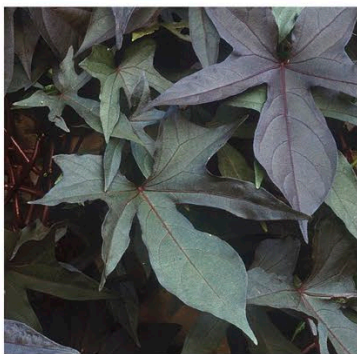

Bushy, single dahlia, grown as an annual, bearing deep purple leaves with ovate leaflets. Pale purple flowers, 3in (8cm) across, each have a dark purple ring around the eye. Good in a mixed border. **H** 28in (70cm), **S** 18in (45cm).

☀️💧 Z9–11

**Petunia Surfinia Series 'Sunsolos'**

Vigorous, trailing perennial, grown as an annual. In summer, almost white flowers, 2in (5cm) across, developing mauve tints, are borne with vivid purple-blue veins and dark throats. Good in a basket. **H** 10in (25cm), **S** 2ft (60cm).

☀️💧 Z11

**Ipomoea batatas 'Blackie'**

Evergreen, tuberous, trailing perennial grown as an annual, with 3-lobed, almost black leaves. May bear trumpet-shaped, purple-throated, lavender flowers, 1in (2.5cm) across, in summer. Good in a mixed container. **H** 6–10in (15–25cm), **S** 1½–2ft (45–60cm). Min. 41°F (5°C).

☀️💧 Z11 ⓘ

**Petunia Shock Wave Series 'Denim'**

Semi-trailing, Multiflora petunia with a mounded, spreading habit and ovate to lance-shaped, mid-green leaves. Bears prolific, purple-blue flowers from late spring to fall. **H** 8–10in (20–25cm), **S** 2–3ft (60–90cm).

☀️💧 Z10–11

**Osteospermum Serenity Series 'Dark Purple'**

Compact, branching perennial, grown as an annual, with lance-shaped, slightly toothed leaves. Daisylike, pinkish purple flower heads, to 3in (8cm) across, are borne from late spring to early fall. **H** 10–14in (25–35cm), **S** 14–20in (35–50cm).
