

ACKNOWLEDGMENTS

Special thanks to **Charles Quest-Ritson** for his pictures of roses; **Andrew Mikolajski** and **Julian Shaw** for additional help and support throughout the preparation of this edition; and **John Tullock** for his editorial consulting on this US edition.

The publisher would like to thank the following for their kind permission to reproduce their photographs. Illustrations elsewhere in the book use the key: a-above; b-below/bottom; c-center; f-far; l-left; r-right; t-top.

Every effort has been made to trace the copyright holders. Dorling Kindersley apologizes for unintentional omissions, and would be pleased, if any such case should arise, to add an appropriate acknowledgment in future editions.
