

WHITE

***Eucryphia lucida***

Evergreen, upright, bushy tree with narrow, glossy, dark green leaves and fragrant, white flowers in early or midsummer.

***Eucryphia glutinosa***

Deciduous, upright or spreading tree. Glossy, dark green leaves, consisting of 3-5 leaflets, turn orange-red in fall. Large, fragrant, white flowers are borne from mid- to late summer.

***Hoheria lyallii***

Deciduous, spreading tree with deeply toothed, gray-green leaves. Clusters of white flowers are borne in midsummer.

***Acer crataegifolium* 'Veitchii'**

Deciduous, bushy tree with branches streaked with green and white. Small, pointed, dark green leaves, blotched with white and paler green, turn deep pink and reddish-purple in fall.

***Maackia amurensis***

Deciduous, spreading tree with deep green leaves consisting of 7-11 leaflets. Dense, upright racemes of white flowers are produced from mid- to late summer.

***Hoheria angustifolia***

Evergreen, columnar tree with narrow, glossy, dark green leaves. Shallowly cup-shaped, white flowers are borne from mid- to late summer.

***Cornus kousa***

Deciduous, small tree or shrub with ovate, glossy, dark green leaves that turn bright red-purple in fall. Large, white bracts, surrounding insignificant flowers, in early summer, are followed by strawberrylike fruits.
