

Looking at a word

This dictionary tells you lots of things about words and how to use them.

Part of speech

This tells you whether the headword is a **noun**, **verb**, **adjective**, or **adverb**. (See pages 6-9)

What does it mean?

The meaning of the word is given for each entry. If a word has more than one meaning or part of speech, it is listed below the headword.

Extra information

Extra information is given about spellings and opposites.

hear

VERB hears, hearing, heard

If you can hear a sound, you notice it. *Did you **hear** that bird?*

☛ **Be careful with spelling:**

hear *I can **hear** music.*

here *Come **here**!*

held

☛ See hold.

happy

ADJECTIVE happier, happiest

If you are happy, you feel pleased.

☛ **Opposite:** unhappy

Headword

The big, bold word at the head of each entry is the word you are looking up.

Example sentence

Example sentences use the headword as it might be used in everyday life. The headword is in heavy black type.

Irregular forms

Some words do not follow the usual rules for their past tense or plural form. Follow the hand symbol ☛ to take you to the main entry for this word.

Word collections

Full-page and half-page word collections provide extra vocabulary on a variety of subjects.
