

Slovenia

Ski jumping

This sport is very popular in the Alpine valleys of northwestern Slovenia.

Many ski jumpers from this country have set world records at the Winter Olympics.

Skis are spread in a V-formation, to achieve the longest possible jump.

Tasty treat

A traditional treat in Slovenia is potica. This rolled dough filled with walnut paste is eaten during Easter and other festivals.

Lake Bled

Visitors flock to this glacial lake to the southeast of Jesenice. At its center lies an island with a beautiful church, while a medieval castle overlooks its waters from a nearby hill.

Carniolan honey bee

Beekeeping is an important Slovenian tradition. The native Carniolan honeybee is highly prized by beekeepers.

Sacred symbol

The linden leaf is an important symbol of Slovenia. In the past, linden trees were planted to mark where village councils gathered for discussions.

Ana Desetnica Festival

Circus performers, musicians, and dancers perform in this annual street theater festival in the capital city of Ljubljana.

Lipizzaner horses

For more than 400 years, the famous Lipizzaner horses have been bred at the Lipica stud farm in the southwest of Slovenia. These beautiful gray horses are trained to perform at equestrian shows.

Slovenia is **one of the greenest countries** in Europe, with more than half of its area covered in **forests**. The snow-covered **Julian Alps** in the north has the country's highest peak, **Mount Triglav**, which is a **national symbol**.
