

Mexico

Day of the Dead

In this annual festival, families and friends remember loved ones who have died. Altars, prayers, and parades with elaborate costumes and makeup mark the occasion.

Isla Roca Partida

This tiny dog breed is only 6–9 in (15–23 cm) high.

Chihuahua

The ancestor of this small dog was first bred in Mexico. It takes its name from the Mexican state of Chihuahua.

Monarch migration
Every year, millions of monarch butterflies travel more than 3,000 miles (4,800 km) from the US to Mexico.

Guatemala

Rigoberta Menchú

The human rights activist Rigoberta Menchú has focused on improving the lives of indigenous people and won the Nobel Peace Prize for her achievements in 1992.

Guatemala City

The country's capital sits almost 4,920 ft (1,500 m) above sea level. At the center of this ancient city lies the cathedral, which has survived many earthquakes.

Mayan pottery

The Maya are remembered for their pottery and ceramics, some of which are elaborately decorated.

- 42,042 sq miles (108,889 sq km)
- 17.2 million
- Guatemala City
- Quiché, Mam, other languages (+3)

The **Central American** nation of **Guatemala** is located south of Mexico. It is known for its **volcanoes** and **rain forests** and for the **remains** of the ancient **Mayan civilization** that can still be found there.
