Shandur festival

At this annual polo festival, teams play a match on the world's highest polo ground, at Shandur Pass, at a height of 12,139 ft (3,700 m).

Mount K2

The mountain known as K2 in the Karakoram Range is the world's second-highest peak.

- 📏 307,374 sq miles (796,095 sq km)
- 👤 234 million
- ★ Islamabad
- 🗣️ Punjabi, Sindhi, Pashtu, other languages (+3)

Pakistan has a diverse landscape of **fertile plains, deserts, and mountains**, such as the **Karakoram Range** and the **Pamirs**. It became an **independent nation** in **1947** when the formerly British India was partitioned (split).

Artisans from the valley sculpted animals from clay and stone.

Indus Valley Civilization

This ancient civilization grew up along the Indus River 5,000 years ago.

Truck art

Colorful trucks brighten up the roads of Pakistan. Designs made on the trucks showcase religious symbols, famous people, and poems.

Islamabad replaced the coastal city of Karachi as the capital in 1967.

The Indus River has a total length of 1,990 miles (3,200 km). It is Pakistan's longest river and flows across the eastern part of the country.

Malala became the youngest person to win the Nobel Prize in 2014.

Malala Yousafzai

The global activist Malala has campaigned for girls' education since being shot by militants in the Swat Valley who wanted to prevent girls from going to school.
