

Thailand

Doi Inthanon
Waterfalls, forests, shrines, and the country's highest mountain can all be found in Doi Inthanon National Park.

Tropical beaches

To the south of Thailand are thousands of remote islands and unspoiled beaches that are accessible only by boat. Railway Beach, near Phuket, is a favorite with rock climbers and swimmers.

Khon dance

For centuries, masked Thai performers have taken part in khon, a spectacular dance-drama.

This character battles a demon in a scene from the epic poem Ramakien.

Queen of fruit

The mangosteen is a purple tropical fruit with a soft, juicy pulp that is grown in Thailand.

Muay Thai

The national sport of Thailand is a form of boxing called Muay Thai. Fighters can use their fists, elbows, knees, and shins to combat their opponent.

Floating markets

In Thailand, vendors fill boats called sampans with fresh produce to sell to locals and tourists. Damnoen Saduak in Ratchaburi is one of Thailand's largest floating markets.

- 198,116 sq miles (513,120 sq km)
- 69 million
- Bangkok
- Thai, other languages (+6)

The **bustling capital** of Bangkok and **tropical southern islands** draw millions of visitors to Thailand every year. **Buddhism** is the **main religion** here, and thousands of **temples** and statues of **the Buddha** dot the country.
