

Senegal

Fighting climate change
As part of the Great Green Wall project to restore fertility to Africa's dry Sahel region, Senegal has planted 11.4 million trees in its northern half.

African Renaissance Monument
This huge 160-ft (49-m) tall monument was erected in 2010 to mark the 50th anniversary of Senegal's independence from France.

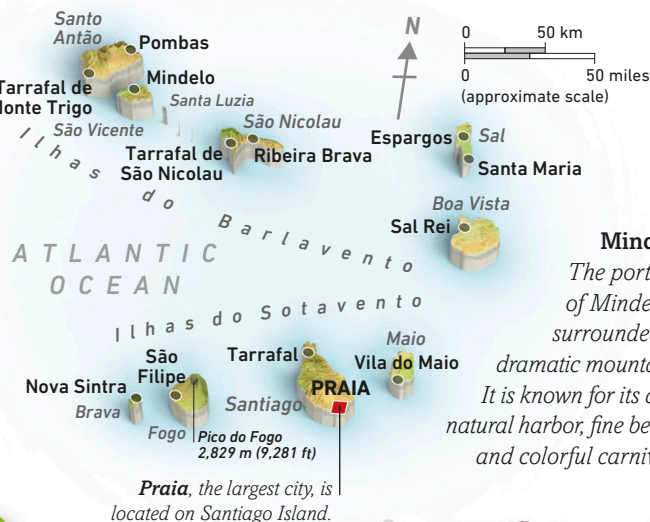

Spicy stew
The traditional mafé stew mixes tomatoes, peppers, and peanuts with beef or lamb to create its distinctive spicy flavor.

Cape Verde

Pico do Fogo
At 9,281 ft (2,829 m) tall, Pico do Fogo is the highest peak in Cape Verde. This active volcano last erupted in 2015.

Mindelo
The port city of Mindelo is surrounded by dramatic mountains. It is known for its deep natural harbor, fine beach, and colorful carnivals.

Praia, the largest city, is located on Santiago Island.

Lying far off the coast of northwestern Africa, Cape (or Cabo) Verde is made up of **10 islands** and many **smaller islets**. Its landscape features **forested hillsides**, **beaches**, and **active volcanoes**. It is also famous for its **unique music**, known as *morna*.
