Africa

The Cullinan Heritage diamond weighs about 507 carats.

Digging for diamonds

The country is one of the leading producers of gem-quality diamonds, which are excavated in seven major mines.

Ndebele people

Traditionally skilled at many crafts, the Ndebele people produce colorful and patterned beadwork, mats, and dolls.

Father of the nation

Revolutionary, statesman, and Nobel Peace prize winner Nelson Mandela (1918–2013) is an icon of modern, democratic South Africa. He was known as Madiba, meaning “father of the nation.”

Cosmopolitan city

First inhabited thousands of years ago, Cape Town with its natural harbor has long attracted seafarers. Today, the city is a thriving mix of cultures.

Table Mountain looms over the city. Its flat top can be climbed on foot or reached by cable car.

At the southern tip of the African continent, **South Africa** is known today for its **diverse culture**—a “rainbow nation” with **11 official languages**. It is **one of the richest African nations** and the only country in the world to have **three capitals**: **Pretoria** for administration, **Cape Town** for lawmaking, and **Bloemfontein** for justice.
