

Denmark

Turf roofs keep the houses warm and protect them from the wet weather.

Traditional Faroese houses

Turf roofs are a familiar sight on the volcanic Faroe Islands (see p.181) in the North Atlantic Ocean, about 900 miles (1,500 km) from Copenhagen.

Viking drinking horn

The Viking Danes were part of the seafaring people who lived in Scandinavia in the Middle Ages. They used animal horns to make drinking cups (above) and musical instruments.

Øresund Bridge

Sweden and Denmark are linked across the Øresund Strait. The Øresund Bridge carries cars and trains from the Swedish city of Malmö to an artificial island, which has a tunnel leading to Copenhagen in Denmark.

Danish sandwich

A traditional Danish open sandwich, called Smørrebrød, is rye bread layered with meat or fish and other toppings.

Fun in the city

Founded in 1843, Tivoli Gardens in Copenhagen is the second-oldest amusement park in the world. Here, visitors enjoy rides and games.

SWEDEN

Danish design

A clean, simple style of architecture and furniture design developed in Denmark in the 20th century.

A classic example of this is the iconic Egg Chair by the Danish designer Arne Jacobsen.

Cozy way of life

The Danish word hygge describes a cozy mood when family or friends gather together to share food and drink in a comfortable setting.
