

Jean Sibelius was honored on a set of postage stamps.

Telecom giant

In the 1990s, the Finnish company Nokia became a global telecommunications pioneer, selling millions of its Nokia cell phones.

Glass decor

Finland is known for its art and design—in particular for furniture, lighting, fabrics, and glassware, such as these glass birds.

The Australian Grand Prix trophy is lifted by winner Kimi Räikkönen in 2007.

Grand Prix champ

The Formula One driver Kimi Räikkönen has won 21 Grand Prix races.

National icon

Through musical pieces such as *Finlandia*, the 20th-century Finnish composer Jean Sibelius helped his country discover its national identity.

Lapland in the north is the legendary home of Father Christmas.

Finland

Finnish summer

After a dark winter, families enjoy long, sunny summer days by spending time at lakeside cottages.

The musher, or driver of the sled, controls the dogs by using spoken commands.

Dog sledding

In winter, the Finnish countryside is perfect for dog sledding. This fun activity is enjoyed by young and old alike. In the past, dogs were used to transport goods or people across the snow.
