

Adding and subtracting

How many do you have? Have some been added or taken away? We need different words to describe how the number of things changes.

sum

plus

equals

total

pairs that make 10

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
