

Ecosystems and habitats

A pufferfish sucks in water to swell its body.

Pufferfish

Swim for my supper

Sea creatures such as the leatherback turtle will travel thousands of miles in search of jellyfish. If the food doesn't come to you, you have to go and find it!

The lion's mane jellyfish is one of the largest of all jellyfish.

Jellyfish protect themselves with stinging cells on their tentacles, but these don't stop a turtle!
