

THE EMPERORS OF ROME

This list names many (but not all) of the men who called themselves emperors of Rome and the dates of their reigns. At certain times in Rome's history, two or more men claimed the title of emperor at the same time. There were rare times when there was no clear emperor at all. After the empire split in 284 CE, there were usually separate emperors for the Eastern and Western Empires.

Julio-Claudian dynasty		217–218	Macrinus
27 BCE–14 CE	Augustus	218	Diadumenianus
